Sir,

In continuation to the minutes dated 27-02-13 of the meeting held on 15.02.2013, the undersigned is directed to convey that, the following decisions have been taken by competent authority to streamline the waiting list of testing of Agriculture Machinery and Equipment at FMT&TIs.

1. All the FMT&TIs are allowed to take services of contractual manpower to increase their testing capacity as per the rules in vogue.
2. The FMT&TIs will charge full fee at the time of receipt of initial application along with all the required documents, and any application that does not fulfill this requirement may be summarily rejected.
3. The manufacturers of the machines already in the waiting list may be given a period of one month to submit the full fee so as to retain their slot in the waiting list. They may be intimated in very categorical terms that in case of failure to deposit the full fee; their seniority will not be retained.
4. After the expiry of one month, the waiting list may be recasted accordingly,

The above mentioned decisions must be implemented with immediate effect.

Yours faithfully,
