Subject: List of Power Tillers Tested by Farm Machinery Training and Testing Institutes.

Sir/Madam

I am directed to invite a reference to this Department's letter of even number dated 2 June 2017 regarding updating the list of power tiller tested by farm machinery training and testing institutes on the website of this division.

The list of Power tillers has been revised in supersession of all the previous lists by way of including only those MOELS OF POWER TILLERS THAT ARE COMPLYING WITH THE Conformity of production (COP) for mass emission of exhaust gases and the requirements under Central Motor Vehicles Rules (CMVR). The power tiller models that were due for batch testing, but have not undergone batch testing so far, have also been deleted. The revised list has been uploaded on the website at <http://farmech.gov.in/LOE.htm>.

This is for your information and further necessary action in the matter.

Yours faithfully,

(V.N. Kale)
